

EPA REGION 8 EXTERNAL AWARD CRITERIA

The Regional Administrator may present awards within four external award categories to individuals and groups external to the Region 8 Office. These awards can only be made to recognize work carried out under the following federal environmental statutes:

- Clean Water Act (CWA);
- Resource Conservation and Recovery Act (RCRA);
- Clean Air Act (CAA); and,
- Pollution Prevention Act (PPA).

Work done solely within the following statutes is not eligible for recognition by the Agency:

- Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA);
- Toxic Substance Control Act (TSCA);
- Safe Drinking Water Act (SDWA); and,
- Superfund/CERCLA.

EPA Employees, SEEs, and EPA contractors or subcontractors under direct contract to EPA are not eligible to receive these external awards.

I. ENVIRONMENTAL ACHIEVEMENT AWARD

- A. PURPOSE. To recognize significant achievements in protection of public health or the environment, or in advancing the Agency's current strategic goals.
- B. CRITERIA.
 1. Outstanding contribution to environmental protection through a single action, or by an ongoing action over an appreciable period of time.
 2. Operating an environmental facility; OR
 3. Significant achievement resulting in a visible or measurable improvement to the environment; OR
 4. Superior leadership, skill, persistence, or creativity in:
 - a. developing and implementing an environmental program;
 - b. resolving a controversial environmental matter.
 5. Significant contribution to our awareness or knowledge of environmental issues, including, but not limited to, scientific, engineering, technical, media or administrative contributions or publications.
 6. Superior achievement in:
 - a. pollution prevention (reducing or preventing the generation of pollution at the source);
 - b. cooperative team efforts (partnering) with states, Tribes, local governments, businesses or organizations, to instill environmental awareness or achieve environmental goals.
- C. ELIGIBILITY. This award may be given to an individual, a group, or an organization, such as Tribal/state/local governments, the private sector, public interest groups, the media, non-profit groups, educational institutions, or other entities who meets ANY of the above criteria.
- D. NOMINATIONS. Any person, group, or EPA employee may nominate for this award.

II. FRIEND OF EPA

- A. PURPOSE. To recognize support or assistance to EPA in performing its mission.
- B. CRITERIA. The activity being recognized:
 1. Work being recognized must be within an eligible federal statute listed in the

- first paragraph of this chapter.
 - 2. Significantly benefits the Region or its employees.
 - 3. Serves to champion human health or environmental protection; OR
 - 4. Voluntarily addresses or is highly responsive to a stated or perceived EPA need.
- C. ELIGIBILITY. This award may be given to an individual, a group, or an organization, such as Tribal/state/local governments, the private sector, public interest groups, the media, non-profit groups, educational institutions, or other entities who meets ANY of the above criteria.
- D. NOMINATIONS. Any person, group, or EPA employee may nominate for this award.
